Receipts.

This is based upon the average Actuals of the past 2 years (1899-1900, 1900-1901) and also with reference to the actuals of the 1st half of the current year and second half of the previous year (1900-1901).

II Tax on houses and buildings.

In the Srirangapatam municipality there was a large amount of arrears of past years under this head. All the recoverable arrears having been collected, small balances still outstanding is of a nature to be written off the Accounts. Hence the Estimated receipt is only 3,000 Rupees

VII Miscellaneous

For the reasons stated in the above paras there is a decrease of Rs 1070 under this head for the Seringapatam municipality.

X Miscellaneous

The items under this head being of a fluctuating nature call for no remarks.

Expenditure

Lighting

For the municipalities of Malvalli, Nagamangala, Krishnarajpet and Melkote sums of Rs 75-40 and 60 are respectively required for the purchase of lamps, posts and lanterns. The present lighting in these towns being inadequate and unsatisfactory.

VIII Public Works

The two sums of Rs 1,000 and Rs. 300 shown under this head in the municipalities of Malvalli, and Nagamangala,

are for keeping in the
owners of certain vacant
sites and houses to be required
to widen certain carriageways
&c.

Balance.

The opening balance of
Revenue Account is
on the minus side. The effect
of minimising the expenditure
of this Municipality is the
lowest possible limit the
closing balance is to be below
the minimum prescribed. Two
endeavours will be made to bring
the balance to the required
minimum by effecting savings
in the sanctioned allotments.

RECEIPTS.

2. Tax on Houses and Vll Mohatarfa

The decrease under these heads in the budget of Seringapatam is due to all the recoverable arrears having been collected during the current year leaving a small balance outstand-ing to be written off the accounts. But the cause of the falling off of revenue under "Cart tax" in Malvally has not been explained. The omission should be supplied and a statement of remission of irrecoverable items in Seringapatam and elsewhere should be submitted. Meanwhile the estimates will stand.

EXPENDITURE.

3. lV Conservancy. The omission of the provisions in the present Budgets of Seringapatam and Malvally on account of temporary hands and carts sanctioned for 1901-02 accounts for the decrease in the estimate under this head, which is passed.

4. Vll Lighting. As there will be a deficit of Rs95 in the Budget of Mandya, if the provision of Rs.130 proposed for lighting against Rs.140 sanctioned for 1901-02 is retained, the ~~same~~ later will be struck out with an observation that if funds cannot be made available by developing the exis/

existing sources of revenue, the arrangements for lighting the town should be discontinued. The provisions made in the remaining towns including those for new lamps and lanterns in the budgets of Malvally, Maddur and Kikkeri will be passed.

5. X Education. In the budget of Melkote a sum of Rs.254 is entered newly ϕ on account of contribution towards educational charges, as the temporary relief afforded to the Municipality ceases with effect from 1st July 1902 under Pro.No.14310-12/L.F.224-93 dated 25th April 1901. The provision is passed.

6. The other items call for no remarks and are passed.

7. The budget estimates of receipts and expenditure of the Municipalities in the French-Rocks Sub-Division for 1902-1903 are sanctioned as shown below. The usual particulars are appended.

EXPENDITURE.

4. *III Collection* (*a*) *Octroi.*—The provision made in the budget of Melkote is on account of commission to the village officials for collecting the duty at 5 per cent, pay of the three temporary peons to be employed at the Vairamudi Jatra for a month and cost of brass seal and forms, the balance being required for certain purposes which the President of the French Rocks Local Fund Board says he has specified in his letter No. 208, dated 9th February 1902, which, however, has not been received in this office from the Deputy Commissioner, Mysore District. The Deputy Commissioner will be good enough to report as early as possible what has become of the President's proposals. Pending the issue of final orders on the President's reference above quoted, the provision will be allowed to stand. The provisions made in the budgets of Krishnarajpete and Maddur on account of potgi payable towards Mohatarfa collections, are approved.

Melkote (a) Octroi	94
Krishnarajpete (b) Mohatarfa	5
Maddur (b) Mohatarfa	40

5. *IV Conservancy* (*b*) *Other charges.*—The President explains that the sum of Rs. 87 entered under this head in the budget of Seringapatam, is on account of the hire of a temporary cart engaged during the plague season in 1899, for which special sanction has been applied for in his No. 252, dated 26th March 1903, received with the Deputy Commissioner's letter No. 1156, dated 14th May 1903. The provision is passed.

6. *VIII Public Works.*—The provisions made under this head for the completion of incomplete works of previous years sanctioned in Proceedings No. 10632—L. F. 17-02, dated 10th January 1903, are passed.

7. *IX Charitable grants.*—The supplemental grants provided under this head to meet a third of the cost of contribution towards the repair of dispensary buildings at Seringapatam, Krishnarajpete, Malvalli and Maddur, and the full cost of lanoline paste supplied to the first named Municipality, are sanctioned.

8. *XI Miscellaneous* (*c*) *Fairs and festivals.*—The correct provision that ought to be made on account of expenditure for the Coronation festivities at Maddur is only Rs. 20 as stated in the Deputy Commissioner's No. 975, dated 3rd April 1903, and not Rs. 220 as entered under this head. The necessary corrections will be made in the budget.

9. The additional grant of Rs. 50 proposed for plague preventive measures at Malvalli, is also sanctioned.

10. It is observed that the correct total of income, inclusive of the opening balances of Seringapatam and that of expenditure of French Rocks as per details furnished, come to Rs. 16,274 and 1,228 respectively, and not Rs. 16,294 and 1,238 as erroneously entered in the present budgets. The necessary corrections will be made in this office.

Local Boards Branch, Municipal, dated 4th July 1903.

11. The budget estimates of the several Municipalities of the French Rocks Sub-Division except Mandya, as now revised, are sanctioned as shown below; the usual particulars being appended.
